Dear Youth Worker:

The Youth Committee of the Camden County Workforce Investment Board is pleased to provide you with this directory of services available to Camden County youth between the ages of 14 and 21. While we know that working with youth can be a most rewarding experience, it is also true that at times we need the assistance of other service providers to partner together to better serve their needs.

This directory is a compilation of service providers that have verified their service information. If there are programs that need to be added to this list, please complete the agency information sheet included in this directory and fax it to the WIB office at 856-414-9050.

Through this directory, we hope that you will reach out to other agencies and build the necessary partnerships that can benefit the youth of Camden County.

Sincerely,

Youth Committee
Camden County Workforce Investment Board
