1.1 Purpose

The purpose of this solicitation is to select a One-Stop (OS) Operator to operate the Camden County One-Stop Career Center (CCOSCC) and other service access points for federally funded CCOSCC partners, as required by the Workforce Innovation and Opportunity Act (WIOA) and other community partners serving employers and customers seeking jobs, career counseling, training, and career advancement in the Camden County Workforce Development Area. The One-Stop Operator will also be providing direct services in the CCOSCC.

The purposes of WIOA are the following:

- (1) To increase, for individuals in the United States, particularly those individuals with barriers to employment, access to and opportunities for employment, education, training, and support services they need to succeed in the labor market.
- (2) To support the alignment of workforce investment, education, and economic development systems in support of a comprehensive, accessible, and high-quality workforce development system in the United States.
- (3) To improve the quality and labor market relevance of workforce investment, education, and economic development efforts to provide America's workers with the skills and credentials necessary to secure and advance in employment with family-sustaining wages and to provide America's employers with the skilled workers needed to succeed in a global economy.
- (4) To promote improvement in the structure and delivery of services through the United States workforce development system to better address the employment and skill needs of workers, jobseekers, and employers.
- (5) To increase the prosperity of workers and employers in the United States, the economic growth of communities, regions, and States, and the global competitiveness of the United States.
- (6) For purposes of Subtitles A and B of Title I, to provide workforce investment activities, through statewide and local workforce development systems, that increase the employment, retention, and earnings of participants, and increase attainment of industry recognized postsecondary credentials by participants, and as a result, improve the quality of the workforce, reduce public assistance dependency, increase economic self-sufficiency, meet the skill requirements of employers, and enhance the productivity and competitiveness of the Nation.

The Workforce Innovation and Opportunity Act (WIOA) defines the minimum role of the One-Stop Operator as a convener, coordinator, and manager of the One-Stop delivery system in a local workforce area.

This solicitation is seeking management services that coordinate the diverse services of our One-Stop system partners. The successful bidder will be required to align system and center activities with the vision, mission, policies, and procedures set forth by the Camden County Workforce Development Board (CCWDB). Under this vision the successful responder will provide:

- Leadership
- Strategic Planning
- Market Focused Customer Services
- Information and Analysis
- Human Resources Focus
- Process Management
- Business Results

Many system partners provide their services through publicly funded and federally-legislated programs. Their service provision is structured by law and regulations. The challenge of the successful responder will be to negotiate and orchestrate a One-Stop system design that balances these imperatives with service excellence.

WIOA places a clear separation between the One-Stop Operator responsibilities and those of the Workforce Development Board (WDB). The Camden County WDB is seeking a One-Stop Operator to coordinate the service delivery of required One-Stop partners and service providers. Under WIOA, partner programs and entities are jointly responsible for workforce and economic development, educational, and other human resource programs. The law envisions a collaborative process that leads to the creation of a seamless customer-focused One-Stop delivery system. At its best, the resulting system integrates service delivery across all programs and enhances access to the programs' services.

Entities responding to this Request for Proposals should have extensive experience, a knowledgeable background and qualifications in the provision of the services described herein.

Eligible entities to serve as a One-Stop Operator include:

- An institution of higher education;
- An employment service State agency established under the Wagner-Peyser Act (29 U.S.C. 49, et seq.), on behalf of the local office of the agency;
- A community-based organization, non-profit organization, or intermediary;
- A private for-profit entity;
- A government agency; and

Other interested organizations or entities, which may include a local chamber of commerce or other business organization, or a labor organization.

A. Federally Required Partners

WIOA requires local boards to establish a One-Stop delivery system and conduct oversight of that system. Camden County Workforce Development Board is responsible for developing a memorandum of understanding with the required One-Stop partners that outlines each partner's responsibilities. Each One-Stop partner that carries out a required program or activity in a local area "shall provide access through the One-Stop delivery system to such program or activities carried out by the entity, including making the career services that are applicable to the program or activities available at the One-Stop centers (in addition to any other appropriate locations)." WIOA establishes a number of required partners in the One-Stop delivery system. These partners include:

- Title I programs (Adult, Dislocated Worker, Youth, Job Corps, YouthBuild, Native American, and Migrant Seasonal Farmworker)
- Title II Adult Education and Family Literacy activities
- Wagner-Peyser Act employment services programs
- The Vocational Rehabilitation program under Title I of the Rehabilitation Act
- The Senior Community Service Employment Program authorized under Title V of the Older Americans Act
- Postsecondary career and technical education programs authorized under the Carl D. Perkins Career and Technical Education Act
- Trade Adjustment Assistance authorized under the Trade Act
- Jobs for Veterans State Grants programs authorized under chapter 41 of Title 38, U.S.C.
- Employment and training activities under the Community Services Block Grant

- Employment and training activities of the Department of Housing and Urban Development
- State unemployment compensation program
- Ex-offender programs authorized under section 212 of the Second Chance Act
- Temporary Assistance to Needy Families (TANF) authorized under the Social Security Act, unless exempted by the Governor

B. State Funded Programs

The components and purpose of Work First New Jersey (WFNJ):

- 1) Temporary Assistance to Needy Families (TANF)
- 2) General Assistance/Supplemental Nutrition Assistance Program (GA/SNAP)
- 3) Able Body Adults Without Dependents (ABAWD)
- 4) SMART Steps
- 5) Career Advancement Voucher Program (CAVP)

The State's welfare program is known as Work First New Jersey (WFNJ) and is comprised of two divisions: Temporary Assistance for Needy Families (TANF) and General Assistance/ Supplemental Nutrition Assistance Program (GA/SNAP). Grants that originate from the Division of Human Services to the Department of Labor and Workforce Development are administered by the OS Operator. To receive assistance, clients have to work, actively look for work, or participate in an approved work activity. The first activity of job training for TANF recipients is G-Job, a mandatory 30-day in-service program at the CCOSCC where clients receive assessment and job-readiness training. Clients are then placed in the next mandatory job activity, which includes occupational training, community work experience training (CWEP), or basic skills instruction. Counselors work with clients to ensure participation in these to-work activities.

Other programs for TANF clients are Smart Steps, which allows eligible individuals to attend college, and CAVP, which offers post-WFNP/TANF recipients to enroll in occupational training.

The purpose of Workforce Learning Link (WLL) is as follows:

When meeting with prospective job seekers, counselors assess and identify their educational and employment goals. Job seekers may need soft skills or basic skills upgrade before formal training begins. The level of basic skills help required is determined by the results of the job seeker's CASAS Assessment. This is provided through Workforce Learning Link funding. Classroom instruction at the One-Stop for soft skills focuses on developing skills such as positive attitude, effective communication, organization, critical thinking, and interpersonal/social skills. Job seekers who need basic skills are referred to the Workforce Learning Link in the Camden County Workforce Development Area, where they receive training to enhance these skills, so they are better prepared to enter formalized training. These services are contracted on a yearly basis.

C. Additional Potential Funding Streams

There are also periodic Federal, State and Special Grants that will be administered by the OS Operator. For example, National Emergency Grants (NEGs) are periodically released by the New Jersey Department of Labor to create temporary Disaster Relief employment. They generally assist in clean-up and restoration efforts as a result of a disaster such as a hurricane. These temporary jobs also include working on projects that provide food, clothing, shelter, and other humanitarian assistance for disaster victims. The OS Operator places eligible

workers at suitable worksites. In recent years, the OS Operator received NEGs for Hurricane Sandy (2012) and Hurricane Irene (2011).

It is incumbent upon the grantee to provide sufficient documentation regarding such requests including documentation of its development and components and approval by the appropriate cognizant agency. LWD reserves the right to cap and deny any requests associated with pooled costs (i.e., general and administrative or indirect). Funding of the budgeted amount of the pooled costs in this agreement does not imply approval by LWD of the amount or method of calculation.

6) MATCHING AND COST SHARING

The grantee shall be required to account to the satisfaction of LWD for matching and cost sharing requirements in accordance with the agreement and federal and state requirements.

7) PROGRAM INCOME

Program income shall be defined as gross income earned by the grantee from grant-supported activities. Such earnings include, but will not be limited to, income from service fees, sale of commodities, usage or rental fees and royalties on patents and copyrights.

- B) The grantee will maintain its records and accounts in such a way as to facilitate the preparation of financial statements in accordance with generally accepted accounting principles and the audits thereof and ensure that sub-grantees also maintain records which are auditable. - H) Program-specific audits in accordance with Subpart F – Audit Requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards can be elected when a grantee expends federal or state awards under only one federal or state program and the federal or state program’s statutes, regulations, or terms and conditions of the grant award do not require a financial statement audit of the recipient.
- I) All grantees that expend less than \$100,000 in federal or state financial assistance within their fiscal year, but expend \$50,000 or more in federal or state financial assistance within their fiscal year must have a special report applying agreed upon procedures including, but not limited to, reviewing and testing the cost and expenses incurred for which reimbursement was requested to determine their propriety under the contract and review of the training records which substantiate training was completed in accordance with the contracts. The procedures to be followed will be provided by the department’s Office of Internal Audit.
- J) Although Subpart F – Audit Requirements allows specific provisions for biennial audits; state policy continues to require all audits to be performed on an annual basis.

The procedures to be followed will be provided by the Department's Office of Internal Audit.

12) RECORDS

The grantee agrees to collect, maintain and, upon request, report equal opportunity information, including sex, age, disability, ethnicity, and race, for all individuals who apply for benefits or services financially assisted by the program. Such records must include, but are not limited to, records on applicants, registrants, eligible applicants and registrants, participants, ex-participants, employees, and applicants for employment. The grantee agrees to record the race, ethnicity, sex, age and where known, disability status of every applicant, registrant, eligible applicant and registrant, participant, ex-participant, applicant for employment and employee. The grantee further agrees to comply with the requirements of 2 C.F.R 200.79 and 2 C.F.R 200.82 which governs the use of personally identifiable information (PII). Such information must be stored in a manner that ensures confidentiality and must be used only for the purposes of recordkeeping and reporting; determining eligibility, where appropriate; determining the extent to which the grantee is operating the program or activity in a nondiscriminatory manner; or other use authorized by law. Where designation of individuals by race or ethnicity is required, the guidelines of the Office of Management and Budget must be used.

Retention – The grantee agrees to maintain all records pertinent to all grants, contracts, and agreements, including financial, statistical, property and participant records and supporting documentation for a period of seven years from the date of the final expenditure report. The aforementioned records will be retained beyond the seven years if any litigation or audit is begun or if a claim is instituted involving the grant or agreement covered by the records. In these instances, the records will be retained until the litigation, audit or claim has been finally resolved. The grantee agrees to ensure that sub-grantees retain records in accordance with these requirements. In the event of the termination of the relationship between grantee and sub-grantees, the grantee shall be responsible for the maintenance and retention of the records of any sub-grantees unable to retain them.

Access – LWD may investigate any matter it deems necessary to determine compliance with state policy and/or procedures. The investigations authorized by this provision may include examining records (including making certified copies thereof), questioning employees and entering any premises or onto any site in which any part of a program of the grantee is conducted or in which any of the records of the grantee are kept.

13) PROCUREMENT STANDARDS

Procurement of supplies, equipment and other services with funds provided by this agreement shall be accomplished in a manner generally consistent with federal and state requirements.

Adherence to the standards contained in the applicable federal and state laws and regulations does not relieve the grantee of the contractual responsibilities arising under its procurements. The grantee is the responsible authority, without recourse to LWD, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurement entered in support of a grant.

14) PROPERTY

The grantee is responsible and accountable for all equipment and property purchased with funds under this agreement, including purchases made by any sub-grantee receiving payments on behalf of the grantee. The grantee agrees to provide the same security and safekeeping measures for property paid for under this agreement as the grantee provides for the same or similar property owned by the grantee. The grantee agrees to impose similar conditions upon any sub-grantee engaged to provide services under this agreement.

All documents, patents, copyrights, data, studies, surveys, drawings, maps, models, photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the project are the property of LWD. Such material will be delivered to LWD upon request.

If the project is funded under WDP, all documents, patents, copyrights, data, studies, surveys, drawings, maps, models, photographs, films, duplicating plates, reports, plans and other materials prepared by the grantee in connection with the grant are the property of said grantee. However, LWD retains the authority to review such material for the limited purpose of determining the extent and quality of performance under the grant. Such materials shall be reviewed by LWD upon notice given to the grantee and shall promptly be made available to LWD for inspection. LWD agrees to take all reasonable steps necessary to safeguard the grantee's proprietary interest in these materials.

In addition, if the aforementioned items are developed pursuant to a grant or contract funded in whole or in part by federal funds, the federal agency which provided the funds reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: i) the copyright in all products developed under the grant, including a sub-grant or contract under the grant or sub-grant, and ii) and rights of copyright to which the grantee, sub-grantee or a contractor purchases ownership under an award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. If applicable, the following needs to be on all products developed in whole or in part with grant funds in accordance with the WIOA Annual Financial Agreement:

This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. This product was created by the grantee and does not necessarily reflect the official position of the

U.S. Department of Labor. The Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. The rate of reimbursement for mileage allowed for employees of the grantee or sub-grantee(s) traveling by personal automobile on official business shall be the rate set by the grantee's policies that are in effect at the time of travel and may not exceed the Internal Revenue Service's standard mileage rate in effect at the time of the travel. If the grantee has an executed collective bargaining agreement, the mileage rate shall not exceed the current Internal Revenue Service's standard mileage rate. The current standard mileage rate can be found at the following website:

<http://www.irs.gov/Tax-Professionals/Standard-Mileage-Rates>.

Reimbursements for meals, lodging and travel shall be in accordance with the grantee or sub-grantee(s) written travel reimbursement policies not to exceed Federal per diem rates in effect at the time of the travel. The current per diem rates can be found at the following website:

<http://www.gsa.gov/portal/category/100120>.

16) SUBCONTRACTING

The grantee will perform all terms and conditions of this agreement unless a provision allowing the subcontracting of work is contained in the agreement. All terms and conditions applicable to the grantee apply to any subcontractors or third parties hired by the grantee. None of the work or services covered by this agreement shall be contracted or subcontracted without the prior written approval of LWD. Any work or services contracted or subcontracted out hereunder shall be specified in detail by written contract or subcontract. The grantee agrees to impose similar conditions upon any sub-grantee to ensure their compliance with all the terms and conditions of this agreement. LWD* retains the authority to review and approve or disapprove all contracts or subcontracts executed to provide the services for which the funds are being provided. At LWD's request, the grantee will promptly forward copies of any contracts or subcontracts and fiscal, programmatic, and other material pertaining to said sub-grantee.

17) MODIFICATIONS

Modification to the agreement will be made in accordance with procedures prescribed by LWD effective at the time of submission of the modification.

- A) The grantee agrees to submit a written modification for approval prior to changing any budget line item contained in this agreement.
- B) LWD and grantee agree to make any changes to this agreement only through a written modification.
- C) All modifications to this agreement will be appended to and become part of this agreement.

18) DISPUTES

The grantee agrees to attempt to resolve disputes arising from this agreement by administrative process and negotiations in lieu of litigation. The grantee assures performance of this agreement while any dispute is pending.

Any dispute which is not settled by informal means shall be decided by LWD, who shall reduce the decision to writing and mail or otherwise furnish a copy thereof to the grantee. The grantee shall be afforded an opportunity to be heard and to offer evidence in support of its position. Pending final decision of a dispute hereunder, the grantee shall proceed diligently with the performance under the agreement.

The dispute resolution mechanism described in this section is not exclusive. LWD and grantee preserve all rights in law and equity to pursue any claims that may arise.

This agreement shall be governed by and construed and enforced in accordance with the laws of the state of New Jersey.

19) SEVERABILITY

If any one or more provisions of the agreement are finally adjudicated to be unlawful or unenforceable by a court of competent jurisdiction, then this agreement shall be construed as if such unlawful provisions had not been contained herein.

20) TERMINATION

- A) Termination for Convenience – LWD or grantee may request a termination for any reason. LWD or grantee shall give 90 days’ advance notice, in writing, to the other parties to this agreement of the effective date of such termination. The grantee shall be entitled to receive just and equitable compensation for any services satisfactorily performed hereunder through the date of termination.
- B) Termination for Cause – LWD may terminate this agreement when it has determined that the grantee has failed to provide the services specified or has failed to comply with any of the provisions contained in this agreement or approved application, or otherwise breached the terms of this agreement. If the grantee fails to perform in whole or in part under this agreement or fails to make sufficient progress so as to endanger performance, or otherwise breaches the terms of this agreement, LWD will notify the other parties to this agreement of such unsatisfactory performance or breach in writing. The grantee has 10 working days in which to respond with a plan agreeable to LWD for correction of the deficiencies. If the grantee does not respond within the appointed time with corrective plans satisfactory to LWD, LWD will serve a termination notice on the grantee which will become effective within 10 days after receipt. In the event of such termination, LWD shall only be liable for payment for services rendered prior to the effective date of the termination, provided such services are performed in accordance with the provisions of this agreement.
- C) Termination or Reduction of Funds
 - 1) The grantee agrees that major changes to this agreement, both in terms of program content and funding levels, may be required prior to its implementation or during the term of its operations due to new or revised legislation or regulations. The grantee agrees that any such changes deemed necessary by the commissioner of LWD shall be immediately incorporated into this agreement.
 - 2) Unearned payments under this agreement may be suspended or terminated upon refusal to accept or satisfy any additional conditions that may be imposed by LWD at any time.

21) CONTRACT CLOSEOUT

- A) The following definitions shall apply for the purpose of this section:

- 1) Contract Closeout – The closeout of an agreement is the process by which LWD determines that all applicable administrative actions and all required work of the agreement have been completed by the grantee.
 - 2) Date of Completion – The date by which all activities under the agreement are completed, or the expiration date in the grant award document, or any supplement or amendment thereto.
- B) The grantee shall submit a closeout package per the terms of the agreement, unless otherwise extended by LWD, after completion of the agreement period or termination of the agreement. Closeout forms will be supplied by LWD.
 - C) The grantee will, together with the submission of the closeout package, refund to LWD any unexpended funds or unobligated (unencumbered) cash advances except such sums as have been otherwise authorized, in writing, by LWD to be retained.
 - D) Within the limits of the agreement amount, LWD may make a settlement for any upward or downward adjustments of costs after the final reports are received.
 - E) The grantee is responsible for those costs found to be disallowed, including those of any sub-grantee paid from funds under this agreement, and LWD retains the right to recover any appropriated amount after fully considering the recommendations on disallowed costs resulting from the final audit, even if a final audit has not been performed prior to the closeout of the agreement.
 - F) The grantee shall account for any property received from LWD or acquired with funds under this grant, including any property received or acquired by a sub-grantee under this grant.

22) PERFORMANCE

The grantee assures performance will be in accordance with, and within the period of, this agreement and will immediately report any conditions that may adversely affect performance to LWD as soon as they become known. Any fraud or suspected fraud involving granted funds must be reported to LWD within 48 hours of its discovery.

23) CONFLICTS OF INTEREST

The grantee shall avoid organizational conflicts of interest or the appearance of conflicts of interest in the conduct of procurement activities. Any gratuities offered by the grantee, its agent or representative to any officer, director, or employee of LWD with a view toward securing this agreement or securing favorable treatment with respect to the awarding, amending or the making of any determination will render the agreement voidable at the option of LWD, and may justify further action under applicable state and/or federal laws.

24) BONDING AND INSURANCE

The grantee shall ensure that every officer, director, or employee who is authorized to act on behalf of the grantee for the purpose of receiving funds into program accounts or issuing financial documents, checks or other instruments of payment is bonded to provide protection against loss.

25) AVAILABILITY OF FUNDS

The grantee shall recognize and agree that both the initial provision of funding and the continuation of such funding under the agreement is expressly dependent upon the availability to LWD of funds appropriated by the state Legislature from state and/or federal revenue or such other funding sources as may be

applicable. A failure of LWD to make any payment under this agreement or to observe and perform any condition on its part to be performed under the agreement as a result of the failure of the Legislature to appropriate shall not in any manner constitute a breach of the agreement by LWD or an event of default under the agreement and LWD shall not be held liable for any breach of the agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from LWD beyond the duration of the award period set forth in the agreement and in no event shall the agreement be construed as a commitment by LWD to expend funds beyond the termination date set in the agreement.

26) LIABILITY

This agreement is subject to all of the provisions of the New Jersey Tort Claims Act, N.J.S.A. 59:1-1 et seq., the New Jersey Contractual Liability Act, N.J.S.A. 59:13-1 et seq. and the availability of appropriations.

The state of New Jersey does not carry any public liability insurance, but the liability of the state of tort claims against its employees is covered under the terms and provisions of the New Jersey Tort Claims Act. The act also creates a special self-insurance fund and provides for payment of claims against the state of New Jersey or against its employees for tort claims arising out of the performance of their duties for which the state is obligated to indemnify.

The grantee shall be solely responsible for and shall keep, save and hold the state of New Jersey harmless from all claims, loss, liability, expense or damage resulting from all mental or physical injuries or disabilities, including death to its employees or recipients of the grantee’s services or to any other persons or from any damage to any property sustained in connection with the delivery of the grantee’s services that results from any acts or omissions, including negligence or malpractice of any of its officers, directors, employees, agents, servants or independent contractors or from the grantee’s failure to provide for the safety and protection of its employees, whether or not due to negligence, fault or default of the grantee. The grantee’s responsibility shall also include all legal fees and costs that may arise from these actions. The grantee’s liability under this agreement shall continue after the termination of this agreement with respect to any liability, loss, expense, or damage resulting from acts occurring prior to termination.
